

I would like to thank The North Eastern Whippet Society for the invitation to judge dogs at their championship show on Sunday the 4<sup>th</sup> of July 2021. The rain stayed off and we had some welcome sunshine. Thank you to my steward who I am reliably informed is part of the furniture for keeping things running smoothly. I was looking for a quality, masculine, elegant and fit for purpose hound with the correct proportions. One or two were underweight and a few in unfit condition carrying a bit too much weight. I feel I must add that pasterns are now a problem, upright pasterns are not the confirmation required for a running breed.
